Re-establish records for Class F40 and F41

Dear President/Secretary General,

IPC Athletics have taken a decision to re-establish its World, Regional, Championships and Games records for all three throw events in class F40 and F41.i.e. Shot Put, Discus Throw and Javelin Throw. In the meantime, the existing world and regional records of those events shall be frozen and become historical.

The re-establishment of the new records shall follow the process- *Process to Establish Records* announced on 19 March 2014. The best legal performance of the world and regional rankings of the respective event as at 31 December 2014 shall become the initial Record Mark of that event.

Starting from 1 January 2015, any legal performance that betters or equals the Record Mark of the respective event shall be eligible for record application. The ratification of the record performance is subject to the complete application documentation, IPC Athletics' Licensing Policy and IPC Athletics Rules and Regulations.

Should you have any further questions in relation to the subject, please feel free to contact us at ipcathletics@paralympic.org

Kind regards

Ryan Montgomery
